CATALOGUE 2025

HEALTH FIT & SPORT
A VOTRE SERVICE DEPUIS 1995

Structural features

Enhanced structural rigidity achieved through tube thickness.
Mayor rigidez estructural gracias al grosor de los tubos.
Rigidité structurelle améliorée grâce à l'épaisseur du tube.
La rigidità strutturale è stata potenziata allo spessore del tubo.
Erhöhte strukturelle Festigkeit durch die Dicke der Rohre.

Designed with minimal plastic use.
Diseñado con un uso mínimo de plástico.
Conçu avec une utilisation minimale de plastique.
Progettato con un utilizzo minimo di plastica.
Mit minimalem Kunststoffeinsatz gestaltet.

Upgraded wheel lift system.
Sistema de elevación de ruedas mejorado.
Système de levage des roues amélioré.
Sistema di sollevamento delle ruote migliorato.
Verbessertes Radhebesystem.

Greater stability via reinforced connecting rod.
Mayor estabilidad gracias a la biela reforzada.
Stabilité accrue grâce à la bielle renforcée.
Maggiore stabilità grazie alla biella rinforzata.
Höhere Stabilität durch verstärkte Verbindungsstange.

Functional features

Tente castors: European leading brand in medical sector.
Ruedas Tente: Marca europea líder en el sector médico.
Roulettes Tente: marque européenne leader dans le secteur médical.
Ruote Tente: marchio leader europeo nel settore medicale.
Tente-Rollen: Führende europäische Marke im medizinischen Bereich.

Linak silent motors and Timotion fast motor.
Motores silenciosos Linak y motor rápido Timotion.
Moteurs silencieux Linak et moteurs rapides Timotion.
Motori silenziosi Linak e motore rapido Timotion.
Linak Silent-Motoren und Timotion Fast-Motoren

Highly resistant and durable components.
Componentes de alta resistencia y durabilidad
Composants très résistants et durables.
Componenti altamente resistenti e durevoli.
Hochbelastbare und langlebige Komponenten.

5 years warranty on structure and components.
5 años de garantía en estructura y componentes.
5 ans de garantie sur la structure et les composants
5 anni di garanzia su struttura e componenti.
5 Jahre Garantie auf Struktur und Komponenten.

5 YEARS WARRANTY

Ergonomic features

Three-layer design with dual stiffness for optimal functionality and ergonomics.
Diseño de 3 capas con doble rigidez para una funcionalidad y ergonomía óptimas.
Conception à trois couches avec double rigidité pour une fonctionnalité et une ergonomie optimales.
Design a tre strati con doppia rigidità per una funzionalità ed ergonomia ottimali.
Dreischichtdesign mit doppelter Steifigkeit für optimale Funktionalität und Ergonomie.
