EHA-STANDARD MATS

EHA standard mats have anti-skid properties, are hygienic and rollable.

The **EHA standard mat** is slip resistant and hygienic because is non-porous material does not allow germs to grow.

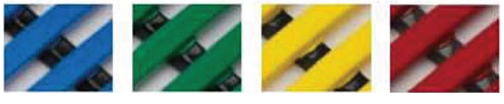

EHA standard mats are soft, elastic, and slip resistant and they are also perfectly suitable as ergonomic mats for workplaces.

Areas of use:

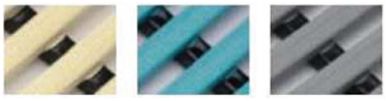

Swimming pools, therapeutic baths, changing rooms, health and resort facilities, hospitals, restrooms, workplaces etc.

More technical data you find here.

Available in the following colors:

blue green yellow red

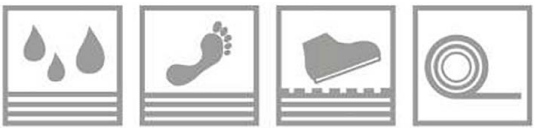

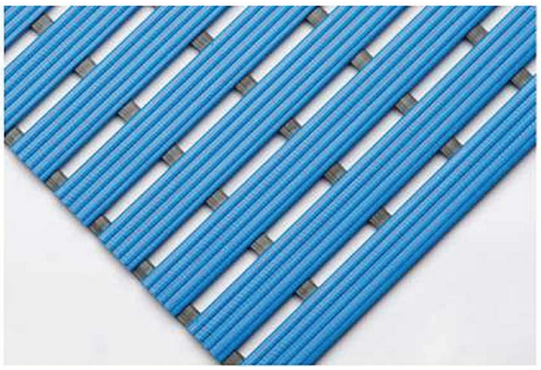

ivory mint green grey

EHA-MANUPLAST BATH GRATINGS

EHA – ManuPlast bath gratings are safe, rollable, and slip resistant.

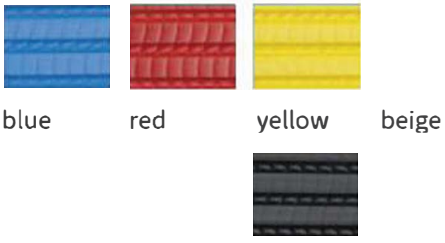

EHA ManuPlast bath gratings are made of durable, pore-free, impact resistant high-grade unplasticized PVC. The top profiles are arranged across the walking direction.

Safety profiles prevent slips and make sure pools, baths or saunas can be safely enjoyed. **EHA ManuPlast bath gratings** allow water to drain all sides and thanks to their high deadweight they rest firmly on the floor (no floating).

Areas of use:

Swimming pools, therapeutic baths, changing rooms, saunas, health and resort facilities, hospitals etc.

Available in the following colors:

EHA-PVC FREE MATS

PVC-free EHA mats are slip resistant, highly elastic, they are hygienic, rollable, high-temperature resistant, flexible at low temperatures, weatherproof, UV resistant and can be completely recycled.

The new **PVC-free EHA mats** made of Themolast ® set new standards in the field of flooring mats for use in wet areas. Thanks to their high temperature resistance as well as pleasant and warm haptic features these PVC-free EHA mats are the first-choice product also for use in saunas. The mats are robust, hygienic, and cleaned using customary cleaning methods; since they are highly elastic they can be easily handled.

Areas of use:

Swimming pools, therapeutic baths, changing rooms, saunas, health and resort facilities, hospitals etc.

Available in the following colors:

blue ivory grey brown
